The agent may, by an official Power of Attorney or a bank power of attorney issued by KFH to carry out all or some of the acts referred to in accordance with the terms referred to in the Power of Attorney within the powers granted.
- The customer can use the deposit and withdrawal methods that may be introduced when the necessary conditions are met.
- KFH has the right to refuse or to accept deposits in any account or to set limits on the amounts that can be credited to the account.
- Any modification or correction on the restrictions signed by the responsible officer shall be deemed effective and valid, and the account holder may not claim the value of the erroneous deposits in his or her account and he/she will authorize KFH to make and record all correction restrictions on the account.
- KFH is not legally responsible for any error unless it is proved that it is the result of negligence.
- The relationship between the account holder and KFH shall be governed by the provisions of the laws in force in the State of Kuwait and without contradiction to the provisions of the Islamic Sharia'a and in accordance with the provisions of KFH.
- The investment deposits at KFH will be renewed automatically unless one of the parties notifies the other party not to renew before 7 working days of the expiry date of the deposit.
- Customers authorize KFH to request the general Authority for civil information to provide legal information related to the customers and any changes that have occurred to update his/her information, without any liability to the public authority for civil information or to KFH.
- The customer acknowledges his commitment to all provisions of Law No. 106 of 2013 on combating money-laundering and the financing of terrorism, and the instructions of the supervisory authorities in this regard.
- The customer acknowledges that the name written in the account opening application is his/her real name and not symbolic, and that he/she is the primary beneficiary of the account to be opened and undertakes to provide the necessary information to those who delegate them in dealing with the account on his behalf and to submit the documents which prove the authenticity of these information.
- The customer undertakes to maintain the cheques and shall bear the responsibility of these cheque so and its loss, theft, forgery or unlawful use.
- The customer will be provided with a debit card/pin number and shall bear the fees of the issuance of such card. The customer acknowledges that once he/she has received the debit card/envelope of the PIN that he/she is capable of using the electronic services available for KFH customers. The customer undertakes to bear all the financial and legal obligations and liabilities for using such services.
- If the debit card/envelope of the PIN is not received within (60 days) from the date of its issuance/renewal, the customer authorizes KFH to destroy the card with a charge (issue/reissue) directly from the customer's account without his/her consent.
- In case of the loss of debit card, the account holder must inform KFH immediately to cancel and to issue a new card with new fees
- As for foreign currencies accounts:
Deposits and/or withdrawals from these accounts should be as the following:
- If the transaction was in the same currency of that account, transactions should be in the same amount.
- If the transaction was in a different currency than the currency of the account, then the "the foreign exchange rate" should apply (according to the daily exchange rate of currencies).

- If the operations are non-monetary, for example but not limited to (internal transfer, transfers and telex, deposit cheques in the account, standing orders, etc.) taking into consideration deducting any commission or expense if any in accordance with KFH approved fees list:
o With the same amount if the corresponding account is in the same foreign currency.
- "Buy and sell" if the corresponding account is in a different foreign currency. KFH shall be entitled to close, freeze or restrict any account at any time by its sole discretion, in the event of closing the account, the available amounts (if any) will be credited to the security account.
- The customer agrees to read and deal on his/her accounts and correspondence with KFH through electronic means of communication or telephone service as an alternative to the written correspondence unless the customer has instructions stating otherwise.
- The customer agrees to accept the provisions of Law No. 20 of 2014 concerning electronic transactions and its implementing regulations in a matter not contrary to the provisions of Sharia.
- Upon signing the agreement with KFH, the customer agrees to accept the oral approvals to complete the sale and purchase process.
- The customer acknowledges that he/she is aware of the events that KFH may exclude the confidentiality of customer information and data, namely:
- in the events of which information is disclosed with the written consent of the client.
- in the event of which customer information must be disclosed in accordance with applicable laws and legislations within the laws and legislations in force by the regulatory authorities which KFH is subject to, including the Foreign Accounts Tax Compliance Act ""FATCA" and the common reporting standard.
- The client irrevocably authorizes KFH to enter the account and provide the data contained in it to any relevant entity requesting it to carry out the process that the customer wishes to perform.
- The client authorizes KFH to modify its data on the system in accordance with the official documents of the customer and authorizes KFH to address the relevant authorities in the country to request the necessary documents.
- Kuwait Finance House is entitled to close a minor's account (17-21 years) without notification or opposition of the customer and cancel the pre-paid card in the event that the salary or the student reward is not transferred to the account

The customer irrevocably authorizes KFH to enter the account and provide the data contained therein to any relevant entity that requires it in implementation of the process desired by the customer. **Terms and conditions for opening bank accounts**

Section 1: Investment deposits

First: Conditions for calculating investment deposits

- Continuous absolute Investment deposit.
The minimum investment deposit amount is 5,000 KWD and the deposit is payable at the end of the financial year for the duration of the deposit.
- Absolute investment deposit in foreign currencies
Minimum investment deposit amount is USD 10,000 or EUR 10,000 or GBP 5,000 for an optional period of 3 months, 6 months, 9 months or 1 year
- Sidra Investment Deposit
The minimum investment deposit amount is 1,000 KWD for a year, and the deposit is due at the end of the financial year for the duration of the deposit.
- Al Kawthar Investment deposit
The minimum annual deposit amount with a monthly return is 10,000 KWD and its duration is one year, and the deposit is eligible for monthly profit.
- Five-year investment deposit
The minimum annual deposit amount is 5,000 KWD and its duration are 5 years, and the deposit is payable at the end of each financial year for the duration of the deposit.
- Al Dimah Investment deposit
The minimum amount to open the account is 5,000 KWD and its duration (one month – 3/6/9/12 months), and the monthly deposit will be paid for one month's deposit, while deposits of 12, 9, 6, 3 months are paid to customers at the end of each financial quarter.

Second: Investment

- KFH, as a partner, will invest the funds of the investment deposits in accordance with the principle of absolute Mudaraba and the investment deposits shall be entered One day after the date of issuance for the Kuwaiti dinar, two working days of the U.S. dollar, and Euro, and three working days for other currencies unless they encounter weekly or official holidays. The start date of the investment is the first working day after the holiday and KFH is free to act in whatever it deems appropriate for the common interest, including the identification of investment methods and areas.
- Investment deposit funds are invested on the basis of absolute Mudaraba by 90% of the continuous investment deposit and 10% treated as an Interest-Free Loan/ Qard Hassan, as for other deposits (triple investment deposit, Sidra investment deposit and Al Kawthar investment deposit are on the basis of an absolute Mudaraba contract where 70% of the amount is invested, and the remaining 30% treated as an Interest-Free Loan/ Qard Hassan, and for the five-year investment deposit, the investment rate is 100%. The investment deposits in foreign currencies invest their amounts on the basis of the absolute Mudaraba Agreement contract according to the following ratios. The remaining ratios will be treated as "Qard Hassan":

3 months	6 months	9 months	12 months
70%	75%	80%	85%

- The deposit account shall not be opened in exchange for clearing cheques or uncollected sums unless they are actually collected.
- The funds of Al-Dimah investment deposit are invested on the basis of absolute Mudaraba and according to the following ratios and the remaining ratios shall be treated as an interest –free loan "Qard Hassan":

Term of investment	1 month	3 months	6 months	9 months	12 months
Investment rate	70%	75%	80%	85%	90%

- KFH charges an administrative fee of up to 40% deducted of profit of the Investment deposits.

Third: Cancellation

- The term of the investment deposit is a necessary condition. The client may not request cancellation before the expiry of this period, and if KFH approves the cancellation, the investment deposit is subject to the following conditions:
 - The amount of the ongoing investment deposit and Sidra deposit shall be treated as an investment savings account in terms of the method of calculating profits if the investment deposit has not been completed for one year from the date of its last renewal. KFH is therefore entitled to re-calculate the profits and recover what has been paid to the customer in excess.
 - The client waives the profits of the investment deposit in foreign currencies for the current quarter and completes the remaining periods for the previous investment periods end.
 - If Al Kawthar Investment deposit account is cancelled before the maturity date, the profit will be refunded for only the first three months that the customer has received since the deposit was created or renewed (whichever is sooner) and deducted from the amount of the deposit before its cancellation.
 - In the event of cancellation of the five-year investment deposit account prior to the maturity date, the profit for the elapsed years will be calculated on the basis of the continuous deposit and the investment rate is 90% and for the past months (less than years) the profits are calculated based on the investment savings account for the year in which they are cancelled. The profit difference earned by the customer (since its creation or renewal, whichever is sooner) is retrieved from the amount of the deposit before it is cancelled.

- In the event that the customer requests the cancellation of the Al-Dimah investment deposit (12,9,6,3 months)" prior to the maturity date, the amount of the investment deposit shall be treated as an investment savings account for the year in which it is cancelled in terms of the method of calculating profits. On that note, KFHH have the right to reassess and recalculate profits and return what was overpaid to the customer.
- The Al-Dimah investment deposit for a period of one month is not entitled to any profit if cancelled.

Fourth: Profits and Loss

- The owner of the investment deposit authorizes KFHH in the event of profits or losses to be added to any account in Kuwaiti dinars automatically on the date of disbursement of profits. These profits apply to the terms of the deposits in those accounts, when the financial year expires and the results of KFHH business are determined.
- The profits of the Al Kawthar investment deposit are credited to the customer accounts on a monthly basis.
- For investment deposits in foreign currencies, profits are credited to customer accounts at the beginning of January, April, July and October of each year.
- For the monthly deposit, profits are added on a monthly basis and for deposits of 3, 6,9,12 months, the profits are credited quarterly at the beginning of January, April, July and October of each year.
- The profits of the continued absolute investment deposit and the deposit of Sidra and the five year are deposited at the end of each financial year -after the announcement of profits-for the duration of the deposit.

Section 2: Investments Saving Accounts

First: Special conditions based by Account type:

- Investment savings account in Kuwaiti dinars:**
Opening balance at the time of opening the account is KD 100 and the account is open to natural individuals only.
- Investment savings account in foreign currencies:**

3- Al-Rabeh Account:

- Investment savings account in Kuwaiti dinars, there is no minimum limit to open the account, and the account is open to individuals only. The customer can transfer his salary to this account.
 - One customer may not open more than one account from Al-Rabeh account.
 - Al-Rabeh account includes a campaign of promotional prizes provided by KFHH shareholders and distributes the prizes monthly and/or quarterly and/or yearly.
- Investment savings account for children "Baiti" in Kuwaiti dinars:**
 - The opening balance when opening the account is KD 10 which is for children from the date of birth until the completion of the age of 14 years.
 - The account is opened with the knowledge of the natural guardian (Father or grandfather of the father in the event of the death of the Father), the guardian of a court judgment, or the benefactor (i.e. full-fledged adult aged 21 years and above regardless of kinship).
 - No credit card (Visa or MasterCard) is allowed on this account.
 - At the time of opening the account, the donor is entitled not to be subject to Father, grandparent or guardian's jurisdiction. In such case, the balance shall be removed from the jurisdiction of these persons, who may not administer it or withdraw from it, nor shall the same donor have the right to administer or withdraw this account unless it has been specifically authorized to do so by a final court judgment.
 - In the case of the donation referred to, the account is allowed to be managed and drawn from: The Natural guardian (Father and grandfather of the father), the Guardian and the minor upon reaching the age of majority, who has the right to administer the account and request its closure.
 - Both the trustee and the contributor may not assign others in the management and withdrawal of the account unless the judgment of the first appointment and the latter is fixed.
 - It is prohibited to link the investment savings account for children "Baiti" with the accounts of the natural guardian and is linked with the accounts for the child only.
 - The debit card is issued to those who have the status of account management without fees for the first issue and in the renewal, fees are collected, and the visa Electron card is not exported at the request of the donor without a court verdict.
 - No transfer of any special amounts (salary, reward, subsidy, alimony) is permitted.
 - The children's account is not allowed to be opened at the request of the General Authority for Minors Affairs.

5- Long-term investment accounts:

- The investment plan for higher education for minors "Jameati", the investment plan for retirement "Thimar", the investment plan for the purposes of marriage "Rafaa", The multi-purpose investment plan "Injaz", The investment plan for private health care "Shifaa" These accounts are provided in Kuwaiti dinars only.
- Accounts (Injaz/Thimar/Rafaa/Shifaa) are open to individuals only. From 21 years to 55 years for the plans of Injaz and Thimar, from 21 to 60 years for a Rafaa plan and from 21 to 61 years for the Shifaa plan.
- A university account of higher education for minors is opened in the name of the minor child (from birth to 14 years).
- The account is opened by the Natural Guardian (Father-grandfather of the father).
- The mother has the right to open the account if she is a guardian of the minor under a final judgment issued by the court.
- In the event that the mother donates an account to the minor, she may require that the money not be subject to Father or grandfather's jurisdiction, if any.
- The court shall appoint a trustee to administer the account unless the mother has chosen a trustee to administer the account and a judgment of the court must be obtained by fixing it.
- If the minor is 18 years of age, the Guardian or trustee may authorize the minor to administer an account "Jameati" and the authorization shall be given by the Ministry of Justice, and the minor may administer the account if the court authorizes him to do so.
- When opening the accounts, the total amount to be provided is determined and the amount of the monthly deduction and the time period of the total amount is determined, and the total amount may be adjusted, and the final instalment value adjusted at any time from the account's validity.
- This account may be linked to the personal accounts of the person who opened the account and is only intended to accept and deposit the cash transfers from these accounts.
- The contract is made through signing on the account opening application, and no-account book or any other bank card, whatever type is issued on the account.

Second: Investment

- KFHH, as a speculative partner, invests the funds of the Investment savings accounts in accordance with the principle of absolute Mudaraba on the basis of the lowest monthly balance of the account, and KFHH is free to act in whatever it deems appropriate in order to achieve the common interest, including the identification of methods of Mudaraba and methods of investment areas.
- Investment savings account funds for children "Baiti" are invested in accordance with the principle of absolute Mudaraba by 60% of the account balance according to the appropriate investment opportunity, with the percentage of "KUWAIT FINANCE HOUSE" profit of 20% maximum.
- The funds of the account "Al-Rabeh" are invested in accordance with the provisions of the absolute Mudaraba contract by 100% of the account balance according to the appropriate investment opportunity, and the ratio of "KUWAIT FINANCE HOUSE" of the profit account "Al-Rabeh" a maximum of 90%.
- Investment savings account funds are invested in accordance with the principle of absolute Mudaraba by 60% of the balance of the account according to the appropriate investment opportunity, with the percentage of "KUWAIT FINANCE HOUSE" profits of 60% maximum.
- Long-term Investment savings account funds shall be invested in accordance with the absolute Mudaraba principle of 80% of the account balance according to the appropriate investment opportunity, with a maximum of 20% profit per "KUWAIT FINANCE HOUSE".

Third: Deposit and withdrawal

- The customer is given a "visa electron" card with a confidential number (as per the prescribed fees), which is used for the Kuwaiti dinar savings account. Only cash withdrawals through KFHH ATMs and local banks, or by the company "knet" or those deployed around the world. The customer can also use the card to pay for purchases through the sales points spread in Kuwait's shops by deducting from the customer's account.
- For long-term investment accounts, the customer agrees to deduct the agreed monthly investment amount from his/her account for the benefit of the beneficiary (Jameati/Higher Education account for minors) or for his account (Injaz, Rafaa, Thimar, and Shifaa account) starting from the date of the contract.
- The customer can choose the monthly upward deposit in all long-term investment accounts (excluding "Jameati", "Injaz" and "Shifaa" accounts) where the amount of the monthly deposit increment is determined once every two years from the date of opening the account.
- The customer is entitled to pre-deposit in long-term investment account for a maximum of three monthly payments six times a year.
- The customer is entitled to deposit unscheduled payments in long-term investment accounts. These payments will not affect the target amount.
- Absolute withdrawals from long-term investment accounts are not allowed except:
 - By the end of the first year (366) days from the date of opening the account allows to withdraw a maximum of 60% of the balance.
 - A maximum of 60% of the balance is allowed once every year after the first draw.

Fourth: Profits and Loss

- Profits/losses of the Al-Rabeh's account, "Baiti" investment savings account and long-term investments accounts are credited to the same account, after being announced after the end of the fiscal year for "KUWAIT FINANCE HOUSE".
- The profits/losses of the investment savings accounts shall be credited to the same account after being advertised at the end of each financial quarter of "KUWAIT FINANCE HOUSE", as long as this account is active.
- The account holder authorizes KFHH to invest the profits earned on it since it was credited to the KFHH account.

Fifth: Cancellation of long-term investment accounts

The agreed time period and the pre-defined total savings amount are prerequisites for opening the account. The customer must abide by them and may not cancel before the end of the period unless KFHH approves the cancellation request.

Sixth: The terms and conditions of the prize and draw campaign for the "Al-Rabeh" account

- For the purpose of entering the draw, it requires the transfer of the salary of the customer to the account "Al-Rabeh" and continue to transfer it in the account.
- Minimum salary transfer is KD 500.
- KFHH determines the categories of prizes provided by KFHH shareholders, which are distributed every month, quarterly, and yearly to the customers of AL-Rabeh account that fulfill the salary transfer terms according to the balances of the accounts available at the time of the withdrawal.
- The prize draw is made every month, quarterly, and yearly at KUWAIT FINANCE HOUSE's discretion and the names of the winners will be announced in the advertising media.
- Client must transfer three salaries during the 3 months preceding the date of the draw, and this applies for the monthly, quarterly & yearly draws.
- The number of opportunities to enter the draw is determined by the average minimum balance of the account for the three months prior to the draw or as per the bank's policies from time to time.
- The minimum balance of the account must not be less than 50 dinars during the three months preceding the withdrawal.
- Every additional KD 50 in the account increases the customer's chances of profit.
- KFHH shall have the right at any time, without notice or opposition, to change the type of prizes or periods of withdrawal and its terms as deemed appropriate.
- When any transaction (deduction/ deposit) of the account occurs during the "Data update period", which occurs from the last day of the month, the transaction will not be counted as part of the customer's last month balance and will be credited to the next day (new month) and the opportunity to enter the draw depends on the balance available in its account prior to doing this.
- Winners of Al-Rebeh Draw are not eligible to enter the following two draws and they are eligible to enter the draws thereafter, however all winners of Al-Rebeh Draw are eligible to enter the Annual Draw.
- If one of the winners of the Al-Rabeh prize draw deceased, (God's mercy), the right to claim the award is transferred to his heirs, keep in mind that the heirs right to claim is valid for six months from the date of the award for the prize. As it falls under the provisions of article 226 of the Civil Code Law.
- If one of the winners of the prize draw of the Al-Rabeh is in late debt payments or problematic, KFHH is entitled to submit the award to the winner only after paying all his debts at KFHH. KFHH has the right to evaluate the prize in cash and the debt is deducted and the rest is handed over to him -if any-
- The right of the winner to claim the prize shall lapse six months after the date of announcement of the withdrawal result, in accordance with Article 226 of the Civil Code, as the announcement of the Al-Rabeh account prizes is a promise of an award to the public.
- All Customers and persons subject to the freeze shall be excluded from the raffle draw according to the lists approved in accordance with the policies of KFHH and the regulatory instructions issued in this regard (lists issued by the sanctions committees of the Security Council or the local lists issued by the Committee Implementation of United Nations Security Council resolutions under Chapter VII of the Charter of the United Nations on terrorism and combating the financing of terrorism, as established by Ministerial Decree No. 4 of 2014).
- Participation in draws is prohibited for KFHH employees, employees of companies contracting with the bank, and any other persons involved in the promotion or any activity related to draws and prizes. This also prevents their spouses and relatives up to the second degree, or any other person or entity that has been excluded according to the regulations of the Ministry of Commerce. The winner is obligated in the event of violating this prohibition to return the prize immediately to KFHH. The bank has the right to deduct the prize amount from the winner's account (s) without obtaining his approval.

Seventh: Other Terms and Conditions

- In the non-account of the investment savings for children "Baiti" and the Jameati account, the client can conduct an internal power of attorney at KFHH to dispose of his account, after having read and signed the internal power of attorney provisions prepared by KFHH.
- If the customer is unable to deposit the monthly payment for 45 days, the monthly payment will be charged to the long-term investment account. The customer can reactivate the collection mechanism by paying all the monthly amounts due or restructure by paying the outstanding Takaful subscriptions as well as one savings installment.
- If the monthly payment is discontinued for more than 6 months, the long-term investment account becomes suspended.
- By the end of the long-term investment plan period, the client (or its rightful heirs) may withdraw the full amount in the account and the profits due to those who have the right to receive it according to the terms and procedures.
- The investment accounts of legal entities shall not be opened

Section 3: Automated service account

First: Special conditions of the Account

- Automated service account in Kuwaiti Dinars Only
The opening balance when creating the account is \$10 (KWD), and the account can only be opened to individuals.

Second: Deposit and Withdrawal.

- The customer will be provided with a visa Electron card with a pin for certain fees to be used for withdrawals and cash deposits through KFHH the ATMs and the full deposit machines or the subsidiaries of the local banks or the company of Knet or those deployed around the world. The customer can also use the card to pay for purchases through the sales points deployed in Kuwait by deducting from the balance of his credit account.
- When using an ATM card (outside Kuwait), all amounts due to "KUWAIT FINANCE HOUSE" are charged and paid in Kuwaiti dinars plus 2.5% (two and a half percent) of the transaction value, depending on the exchange rate at the date of receipt of your home to indicate these amounts

Third: Profits and Losses

Automated service Account. The Current account rule takes any loan that is good, does not deserve any profit and does not incur any loss, and KFHH is obligated to pay the full credit upon request and does not give the customer the right to obtain a Chequebook

Section 4: Current Accounts

First: Special Conditions by Account Type

- Current account is opened only by Kuwaiti Dinars.
The opening balance when creating the account is \$1,000 (KWD), and the account can be opened to individuals and legal entities.

الشروط العامة والخاصة للحسابات
والخدمات المصرفية

The maximum amount allowed in the account is 100 kilograms of gold. No more than one gold account are allowed under the client file. When KFHH sells gold to the customer, the customer has one of the following options: <ol style="list-style-type: none"> Store all gold that was purchased in KFHH. Store part of the gold that was purchased in KFHH. Fully withdraw and take possession of all the gold that the customer has purchased from KFHH. The customer's signature on the withdrawal / deposit receipt shall be deemed to be a confirmation of its approval and that the gold bar received in excellent condition. If the customer wishes to receive gold stored at KFHH, he/she can request the gold from any KFHH branch and it will be delivered within two business days. Unless the customer wants to withdraw the gold on the same day then he can visit the head office branch to receive his gold. The Customer has the right to choose the available gold in weight units at point of purchase and KFHH will provide the customer with serial numbers. Therefore, in the process of selling or withdrawing the customer must abide by the same categories and same serial numbers that he purchased. Purchase and sale transactions of gold are based on exchange rates valid at the time of the transaction; the rates that KFHH announces are derived from daily gold prices that may be subject to multiple price fluctuations each day. The customer can only buy and sell gold bars that are issued, approved with a serial number and sealed with security marks by KUWAIT FINANCE HOUSE. 	<p>Other Terms and Conditions:</p> <ol style="list-style-type: none"> The customer can make an internal power of attorney at KFHH to act on the account after signing on the internal power of attorney prepared by KFHH. The customer shall not be entitled to establish standing orders to and from the gold account, nor shall it be permitted to carry out internal or external transfers. The customer is not entitled to make a mortgage for the gold stored at KFHH for any financial obligations or facilities. The customer is not entitled to request a check or debit card for this account. KFHH shall not be responsible for the partial or total loss of the customer's gold stored in KFHH unless it is proved to be the result of gross negligence or intentional negligence. The gold bar is a private property of its owner and he/she shall be fully responsible for preserving it from loss, theft, partial or total damage, external cover and security marks upon receipt. Therefore, KFHH shall not be liable to the customer. KFHH reserves the right to refrain from selling / buying / depositing gold for any reasons without any responsibility toward customers. The customer has the right to obtain a statement of account showing the movements made on gold account in grams and not in monetary value. <p>Section 6: Alamil Account</p> <p>First: Special Terms and Conditions:</p> <ol style="list-style-type: none"> The account can be opened to individuals only and non-Kuwaitis working in non-governmental organizations. There is no minimum account opening. The Alamil account is treated as a Qard Hassan. KFHH is obliged to pay the full credit balance on demand. The customer is not given a check book on the account. The Alamil account shall not be opened in the case of another customer account with KFHH. The account of the resident worker shall be moved only under the approved identity in addition to a letter from the employer to the working account holder (indicating that he is still in the custody of his employer). <p>Second: Deposit and Withdrawals</p> <ol style="list-style-type: none"> The customer receives a Visa Electron card with a secret number, which is used in all ATMs and points of sale of KFHH and local and international banks of Knet. Deposits and withdrawals shall be accepted from the account at Subhan branch according to the procedures followed or any other branch determined by KFHH. <p>Third: Profits and Losses Alamil Account is not suitable for any profits and does not bear loss.</p> <p>Fourth: Other Terms and Conditions</p> <ol style="list-style-type: none"> The purpose of opening an account is to transfer the employee's salary to the account. Alamil account holder is entitled to benefit from the ATM services and SMS services Only. <p>Section 7: Wakala Call Account</p> <p>First: Special Conditions by Account Type</p> <ol style="list-style-type: none"> "Wakala" call account in KWD: The opening balance at the time of opening the account is KD 1,000. The account is open to legal entities only and cannot be opened to individuals. The funds are invested in it on the basis of the Islamic Agency's investment principle, in which the customer promises pre-expected profit rates. He shall invest the funds he puts at his disposal in the investment business of KFHH as he deems appropriate, in his capacity as the agent of the client in carrying out these acts on his behalf by managing his investments, including delegated and contracted by himself or with others. Wakala Open Account for Foreign Currency: This account is provided in the following currencies: the US Dollar, the British Pound and the Euro. The opening balance at the inception of the account is the equivalent of KD 1,000 in foreign currency. The account is open to legal entities only and cannot be opened to individuals. The fund is based on the Sharia "a principle of "Investment Agency" in which the client promises pre-expected profit rates. The customer authorizes KFHH to invest the funds it places at his disposal in the investment business of KFHH as he deems fit as agent. The customer in doing this work on behalf of the management of its investments, including a possible mandate and power of attorney to contract with self or with others. <p>Second: Investment</p> <ol style="list-style-type: none"> The funds of the "Wakala" account are invested in accordance with the terms of the Agency with the forensic investment and the customer's approval of all investment conditions before opening the account. KFHH informs the customer of the expected profit rates of the account when opening the account and obtaining the customer's written approval. When the percentage of expected profits is changed to the "Wakala" account, KFHH shall advertise this percentage by means of the customary means of communication, including the KFHH website. KFHH shall invest 100% of the funds of the account in accordance with the principle of the Agency with legitimate investment and KFHH shall be free to act in whatever it deems appropriate to achieve the common interest, including the identification of investment methods and fields. The profits shall be calculated on the daily balance of the account but shall not be less than 100,000 KWD or USD 350,000 or 250,000 GBP or 300,000 Euros. The daily amount of the account cannot be invested in less than 100,000 KWD, or USD 350,000, or 250,000 GBP or 300,000 Euro. A Qard Hassan is not eligible for any profits and does not bear any losses. KFHH has the right to change the minimum investment and has the right to specify different segments based on the size of daily deposit amounts and their profit rates, which will reflect on the size of the Agency's investment returns. <p>Third: Profits and Losses</p> <ul style="list-style-type: none"> KFHH determines the minimum expected profit rate in the investment demand form of the Wakala The profit of the account shall be added to the same account after the announcement at the end of each financial quarter of KFHH. The account holder authorizes to invest the profits realized since its inception in its own account with KFHH When the expected profit rate of the "Wakala" account is changed, KFHH will announce this percentage by agreed means. In the case of an increase in the rate of profit earned on the profit rate promised by the customer to the "Wakala" demand account, the customer waives the increase to KFHH, in order to motivate the investment agent. KFHH is committed to preserving the capital and achieving the expected profit rate agreed upon in the investment application form. It is responsible for compensating the customer for the actual damage caused in case of error, negligence and violation of the conditions of the agency. <p>Fourth: Other Terms and Conditions: Kuwait Finance House</p> <ol style="list-style-type: none"> The minimum amount of the amount to be invested and deposited at the disposal of KFHH shall be provided as an agent for investment in the "Wakala" account. KFHH shall have the right to reject any investment request for non-availability or non-collection on investment day or for any other reasons. The lowest responsibility for KFHH The customer does not have the right to request a Chequebook, and the balance of the account may not be disclosed. <p>Customer's Name: _____</p> <p>Signature: _____</p> <p>Date: / /</p>
