Account Opening Steps

20.

When the account has been successfully opened, you will receive an email from the bank in your registered email with the account info and initial password by SMS.

Information Regarding Your Account Opening at KT Bank AG

Dear,

Welcome to KT Bank AG! Your account opening has been completed. All relevant documents are attached to this email.

Your customer number is: 00000

You will shortly receive a one-time password via SMS to access our online and mobile banking services. After receiving it, please update your password by logging in to our Online Banking (<https://online.kt-bank.de>) or Mobile Banking.

We provide you with a free virtual card that is ready for immediate use. You can use this card for secure online shopping. Simply access your card details via online or mobile banking and start purchasing right away. If you require a physical card, you can convert your virtual card into a physical one via online or mobile banking. To do so, you must first set a PIN for your virtual card; this PIN will also be used as the PIN for your physical card after conversion. Please make sure to remember the PIN you set.

Our online and mobile banking services allow you to manage your account easily and securely. You can conveniently perform various transactions from home or on the go, such as money transfers, opening participation accounts, or foreign exchange transactions.

If you would like to transfer your payments and SEPA direct debit mandates from your main bank to KT Bank, you can easily complete the process using the following link: <https://kt-bank.meinkontowechsel.de/start>

If you have any questions or comments regarding your account or banking transactions, you can reach us by phone at +49 69 710479347 or by email at service@kt-bank.de.

Your feedback is valuable to us.

[Click here](#) to participate in the survey.

Kind regards,
KT Bank AG
