REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF KUWAIT FINANCE HOUSE K.S.C.P.

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Kuwait Finance House K.S.C.P. ("the Bank") and its subsidiaries (collectively "the Group") as at 31 March 2022 and the related interim condensed consolidated statement of income, interim condensed consolidated statement of comprehensive income, interim condensed consolidated statement of changes in equity and interim condensed consolidated statement of cash flows for the three months period then ended. The management of the Bank is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with the basis of preparation set out in Note 2. Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with the basis of preparation set out in Note 2.

Report on Other Legal and Regulatory Requirements

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of account of the Bank. We further report that, to the best of our knowledge and belief, we have not become aware of any violations of the Companies Law No. 1 of 2016, as amended, and its executive regulations, as amended, or of the Bank's Articles of Association and Memorandum of Incorporation, as amended, during the three months period ended 31 March 2022 that might have had a material effect on the business of the Bank or on its financial position.

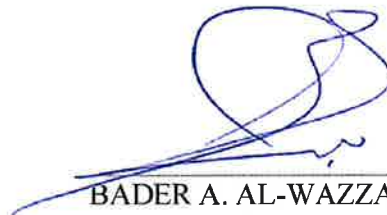

**REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL
INFORMATION TO THE BOARD OF DIRECTORS OF KUWAIT FINANCE HOUSE
K.S.C.P. (continued)**

Report on Other Legal and Regulatory Requirements (continued)

We further report that, during the course of our review, to the best of our knowledge and belief, we have not become aware of any violations of the provisions of Law No. 32 of 1968, as amended, concerning currency, the Central Bank of Kuwait and the organization of banking business, and its related regulations, or of the provisions of Law No. 7 of 2010 concerning the Capital Markets Authority and its related regulations during the three months period ended 31 March 2022 that might have had a material effect on the business of the Bank or on its financial position.

INFORMATION (UNAUDITED)

1 INCORPORATION AND REGISTRATION

The interim condensed consolidated financial information of Kuwait Finance House K.S.C.P. (“the Bank”) and subsidiaries (collectively “the Group”) for the three months period ended 31 March 2022 were authorised for issue by the Bank’s Board of Directors on 11 April 2022.

The shareholders’ annual ordinary general assembly held on 21 March 2022 approved the audited consolidated financial statements of the Group for the year ended 31 December 2021.

The Bank is a public shareholding company incorporated in Kuwait on 23 March 1977 and is registered as an Islamic bank with the Central Bank of Kuwait. It is engaged in all Islamic banking activities for its own account as well as for third parties, including financing, purchase and sale of investments, leasing, project construction and other trading activities without practising usury. The Bank’s registered head office is at Abdulla Al-Mubarak Street, Murqab, Kuwait.

All activities are conducted in accordance with Islamic Shari’a, as approved by the Bank’s Fatwa and Shari’a Supervisory Board.

2 BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

The interim condensed consolidated financial information of the Group has been prepared in accordance with International Accounting Standard (“IAS”) 34: Interim Financial Reporting, except as noted below:

The annual consolidated financial statements for the year ended 31 December 2021 were prepared in accordance with the regulations for financial services institutions as issued by the Central Bank of Kuwait (CBK) in the State of Kuwait. These regulations require banks and other financial institutions regulated by CBK to adopt the International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB) with the following amendments:

- ▶ Expected credit loss (“ECL”) to be measured at the higher of ECL provision on credit facilities computed under IFRS 9 – Financial Instruments (“IFRS 9”) in accordance with CBK guidelines or the provisions as required by CBK instructions along with its consequent impact on related disclosures; and
- ▶ Recognition of modification losses on financial assets arising from payment holidays to customers as a result of COVID during the financial year ended 31 December 2020, as required by CBK circular no. 2/BS/IBS/461/2021 dated 5 July 2020. Modification losses referred to in the circular, should be recognised in retained earnings instead of profit or loss as would be required by IFRS 9. However, modification loss on financial assets arising from any other payment holidays to customers shall be recognised in profit or loss in accordance with IFRS 9. All modification losses incurred after the year ended 31 December 2020 are recognised in the interim condensed consolidated statement of income. The application of the policy resulted in application of different accounting presentation for modification loss in 2020 compared to 2021.

The above framework is hereinafter referred to as “IFRS as adopted by CBK for use by the State of Kuwait”.

The interim condensed consolidated financial information does not contain all information and disclosures required for full financial statements prepared in accordance with IFRS and should be read in conjunction with the Group’s annual consolidated financial statements for the year ended 31 December 2021.

Further, results for the three months period ended 31 March 2022, are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2022.

2 BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

New standards, interpretations and amendments adopted by the Group

The accounting policies adopted in the preparation of the interim condensed consolidated financial information are consistent with those followed in the preparation of the Group's annual consolidated financial statements for the year ended 31 December 2021, except for the adoption of new standards effective as of 1 January 2022. The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

IFRS 9 Financial Instruments – Fees in the '10 per cent' test for derecognition of financial liabilities

The amendment clarifies the fees that an entity includes when assessing whether the terms of a new or modified financial liability are substantially different from the terms of the original financial liability. These fees include only those paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the other's behalf. There is no similar amendment proposed for IAS 39 *Financial Instruments: Recognition and Measurement*. These amendments had no material impact on the interim condensed consolidated financial statements of the Group as there were no significant modifications of the Group's financial instruments during the period.

Other amendments to IFRSs which are effective for annual accounting period starting from 1 January 2022 did not have any material impact on the accounting policies, financial position or performance of the Group.

3 FINANCE COST AND ESTIMATED DISTRIBUTION TO DEPOSITORS

The management of the Bank has estimated distribution to depositors and profit attributable to Bank's shareholders based on the results for the three months period ended 31 March 2022. The actual distribution to depositors and profit attributable to Bank's shareholders could be different from the amounts presented in the interim condensed consolidated statement of income.

The actual profit to be distributed to all parties concerned will be determined by the Board of Directors of the Bank in accordance with the Bank's Articles of Association, based on the annual audited results for the year ending 31 December 2022.

15 FAIR VALUES

The Group uses the following hierarchy for determining and disclosing the fair value of financial assets by valuation technique:

Level 1: quoted (unadjusted) prices in active markets.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly; and

Unquoted equity investments are fair valued using valuation technique that is appropriate in the circumstances. Valuation techniques include discounted cash flow models, observable market information of comparable companies, recent transaction information and net asset values. Significant unobservable inputs used in valuation techniques mainly include discount rate, terminal growth rate, revenue and profit estimates. The impact on the consolidated statement of financial position or the consolidated statement of income or the consolidated statement of changes in equity would be immaterial if the relevant risk variables used for fair value estimates to fair value the unquoted equity investments were altered by 5%.
